Contour Series PAR30 LED Lamp, 2700K, 800 lumens, 75W Replacement, Dimmable

The Verbatim Contour Series 2700K PAR30 LED lamp is a high-quality, energy efficient 75-watt replacement lamp. Contour Series PAR30 2700K LED lamps utilize Thru-Vent Technology, which allows air to pass through the casing of the lamp and maximizes the surface area of the heat sink – without visible heat sink fins. The result is a smooth, white, streamlined exterior that closely resembles the appearance of traditional halogen PAR30 lamps. Ideal for commercial and residential applications, Contour Series PAR30 LED lamps feature non-glare optics, to reduce eyestrain and maximize productivity. Fully dimmable, with a warm, 2700K color temperature, Contour Series 2700K PAR30 LED lamps are an excellent choice for indoor recessed lighting or track lighting applications. Additionally, Contour Series PAR30 LED lamps are UL wet rated, making them an optimal solution for exposed outdoor lighting fixtures. ENERGY STAR® qualified, and backed by Verbatim's 5-year limited warranty, the 2700K PAR30 LED lamp has an estimated design lifetime of 40,000 hours*, resulting in reduced maintenance and replacement costs when compared to halogen lamps.
